Instructions for Estimated Colorado Coal Severance Tax

**Corporations that must pay Estimated Severance Tax**
Every corporation subject to severance tax must pay estimated severance tax if its severance tax liability for the tax year is expected to exceed its severance tax credits by $5,000 or more. If payments are submitted via Electronic Funds Transfer (EFT), a paper voucher for these tax payments is not required; the EFT transaction is the filing.

**Due Dates of Payments**
Estimated tax is due on or before the 15th day of the 4th, 6th, 9th and 12th month of the taxable year when tax is due. The corporation may elect to prepay any installment due.

**Credits**
Any overpayment of severance tax from a prior quarter or year may be claimed as a credit to this quarter’s estimated tax.

**Authorization to Submit EFT Payments**
If you are not currently set up to send EFT payments, you may obtain information (DR 5782) and an application (DR 5785) at www.TaxColorado.com
