Instructions for Estate/Trust Estimated Tax Payment Form

See payment form on page 2

Estimated tax is not required for estates or trusts. However, these forms are provided for those who prefer filing estimated tax. These forms should not be used to remit payment on behalf of individual beneficiaries of the estate or trust, use the form DR 0104BEP to remit payment on behalf of individual beneficiaries of the estate or trust.

Calculating the Payment

Estimated tax payments can be made on a quarterly basis. When making payments, be sure to use the same account numbers that are used when filing the annual 105 return. It is strongly recommended that these payments be remitted electronically to avoid problems and delays. The single form can be copied and used for each of the four quarterly payments if an electronic payment cannot be made for any reason.

Penalties

There is no penalty for failure to file estimated tax for estates or trusts.

Go Green with Revenue Online
