

## 1st Quarter 2023 IFTA Newsletter

### Tax Rate Change

The price of fuel in Colorado includes two fees in addition to the fuel tax.

- The road usage fee is \$0.02 per gallon effective April 1, 2023.
- The Bridge and Tunnel Impact fee and Road Usage Fee will increase on July 1, annually. For more information go to [Tax.Colorado.gov/IFTA-forms](https://tax.colorado.gov/IFTA-forms)
- You do not need to do anything; these fees are included in the tax rate and are programmed into your Revenue Online return automatically.

### Decals for New Vehicles

Adding vehicles to your IRP fleet does not mean you will automatically be issued IFTA decals. Once you are issued an IRP cab card, you must request IFTA decals by sending a web message or email with a copy of the registration. Mail is sent out once a week. If you need overnight delivery, provide a pre-printed FedEx label with a physical location (not a P.O. box).

### Contacting the Fuel Unit

The best way to reach the Fuel Unit is through web messages from your Revenue Online account. Please allow us 24 hours to respond, before calling or emailing. Multiple inquiries reduce our ability to respond to you quickly.

- **Send us a web message** through Revenue Online. These are usually worked within 24 hours. Attach a copy of the vehicle registration and any required form to the web message.
- **Call us at 303-205-8205 option 1.** Phone calls are usually answered within a few rings. If you have to leave a message, messages are usually checked and returned twice a day.

### 1Q23 IFTA Tax Returns are due May 1, 2023

- **File using our online program, Revenue Online:** If new to Revenue Online: Visit [Colorado.gov/RevenueOnline](https://colorado.gov/revenueonline) and choose "Sign Up". Information to set up your online account is on your IFTA license.
- **To file by paper:** Go to [Tax.Colorado.gov/IFTA-forms](https://tax.colorado.gov/IFTA-forms) to download the [current form, DR 0122](#), and the **1Q23 tax rates**. Tax rates are updated each quarter, so please select the appropriate return and rates.
  - The Department highly recommends using Revenue Online; tax rates are updated automatically, it performs calculations for you, and eliminates the possibility of returns getting lost.

### Reminder

- The requirements for Colorado IFTA are that operational control and records be maintained in Colorado, the carrier has regular Colorado travel, and has Colorado registered vehicles.
- The Department will mail IFTA licenses and decals to Colorado addresses.
- The Department issues notices and decals by mail. To ensure your decals and notices are received timely, verify your mailing address is accurate. The easiest way to verify your address or update your mailing address is visit Revenue Online.
