Apply Online

If you have received rebates for the last two years and you apply using a Social Security Number (SSN) or Individual Tax Identification Number (ITIN), you can file this application online instead of mailing it. Visit [Colorado.gov/RevenueOnline](http://Colorado.gov/RevenueOnline) and simply answer the questions to help guide you through the application process. Using the online application will help prevent errors or incomplete information, which might otherwise delay your rebate. You must supply an email address to file online.

For more information, read publication FYI General 2 for Privacy Act Notice on [Tax.Colorado.gov](http://Tax.Colorado.gov), the Taxation Division’s informational website. Enter information for the 2021 calendar year only. Combining information from other years will cause your application to be delayed or denied.

You are not required to enroll in Direct Deposit, but it is highly recommended. For faster processing of your rebate, enter the routing and account numbers and account type. We recommend that you contact your financial institution to ensure you are using the correct information and that they will honor a direct deposit. See the sample check below to assist you in finding the account and routing numbers.

**Intercepted Rebates**

The Department will intercept your rebate if you owe back taxes or if you owe a balance to another Colorado government agency. If you are filing a joint application and only one party is responsible for the unpaid debt, you may file a written claim to Colorado Department of Revenue, Injured Spouse Desk, PO Box 17087 Denver, CO 80217-0087. Claims must include copies of all W-2, W-2G, any 1099 and/or Third Party Query Procedure (TPQY) Benefits Planning Query Handbook (BPQY) statements received by both parties. DO NOT include your claim with this application. It will not be processed.

**Signature(s)**

Sign and date your application. Failure to sign and date your application will cause delays and/or denial of your rebate.

**Filers without a Social Security Number or ITIN**

Individuals who do not have a Social Security Number or ITIN may still be eligible for the PTC rebate. These individuals can access an application at [https://tax.colorado.gov/alt-ID-PTC-Rebate](https://tax.colorado.gov/alt-ID-PTC-Rebate). Do not complete the alternate application if you have a social security number or ITIN. If you have a social security number or ITIN you must use one of those ID numbers to apply using the application in this instruction book.

**Special Circumstances**

**Disabled Children:** Complete the following to calculate the PTC rebate for disabled children:

- a) Enter the total income for the disabled child. $
- b) Enter the total income for the household, including the disabled child. $
- c) Divide line A by line B. Enter the result. %

Multiply the amount of property tax, rent, and/or heat/fuel expenses by the amount on line c. This is the child’s portion of the expense.

*Example:* Jose is a disabled child under age 18, who received $6,000 in SSI this year. His parents do not meet the age criteria for the PTC Rebate, but earned $8,000 from wages this year. The family pays $3,600 in rent and $300 heat/fuel to heat the home.

- a) $6,000
- b) $14,000
- c) 42.9%

Line 9 of Jose’s application is $1,544 ($3,600 x 0.429) and line 10 is $129 ($300 x 0.429).

**Married Persons:** If you were legally married but never divorced, then you are still considered married. This is true even if you have a legal separation. If you are married, you MUST include all information about your spouse including all income and expenses s/he had in 2021. (Unless one spouse within a married couple resides in a nursing home/assisted living center, see the next page for more details.)
Non-married Persons Sharing a Home: If you share a home with another adult and you share the expenses of the home, please note the following:

**Property Tax**

One Owner: Only the owner of the home should enter the property tax amount on their application. If the other person living in the home pays the owner rent, the owner must report the rent as income on line 7 and the renter can report the rent expense on their application on line 9.

*or*

Joint Ownership: Each owner may enter the property tax amount they paid on their own application. The amount should be calculated according to their ownership percentage in the property. Enter the appropriate amount on line 8 of each person's application.

**Rent and/or Heat/Fuel**

Each qualified person may enter the amount of rent and/or heat/fuel expenses on lines 9 and 10 of their own application.

*Example:* Bob and Joe share an apartment and they split expenses. Bob pays 55% and Joe pays 45%. Their rent is $4,800 and their heat/fuel is $400. Bob should list $2,640 on line 9 and $220 on line 10. Joe will list $2,160 on line 9 and $180 on line 10.

Nursing Home Residents: Persons living in nursing homes or assisted living centers are NOT eligible for the PTC Rebate unless one of the following applies:

- The applicant was in assisted living for only part of the year, **and**
  - Before they moved into assisted living, they paid rent and/or heat/fuel. In this case, the rent rebate is based on 20% of the rental expenses and 100% of the total income received;
  *or*
  - They paid 2020 property taxes while residing in assisted living during 2021. In this case, they may report the full amount of property tax paid.
  *or*
  - Only one spouse within a married couple resides in a nursing home/assisted living center. The spouse who maintains the home may file as a single person to report his/her income and expenses only.

Deceased Persons: Surviving spouses or legal representatives may file a PTC application on behalf of a deceased person whose date of death was during the application year. Complete the application as usual. You must mark the box next to the name of the deceased person. Write “DECEASED” in large letters in the white space above the tax year of the return. Write "FILING AS SURVIVING SPOUSE" or "FILING AS LEGAL REPRESENTATIVE" after your signature. Be sure to also complete and include form DR 0102 and a copy of the death certificate with the application.

3. After you receive the Letter ID, return to [Colorado.gov/RevenueOnline](http://Colorado.gov/RevenueOnline).
4. Click on "Colorado Property Tax, Rent, and Heat Rebate (PTC)" in the "Where's My Refund?" section.
5. Click the down-arrow next to Account Type and select Property Tax/Rent/Heat Rebate.

Please note that our internet system is not able to provide your rebate status if you do not apply using your SSN or ITIN. If you applied using an alternate ID, you may call the call center line if you need to check on the status of your rebate payment.

### Federal Credit and Colorado Insurance Programs

Individuals with lower income and/or those who have qualifying children may be eligible for a refund resulting from the federal and/or state Earned Income Tax Credit (EITC), the federal Child Tax Credit, and/or low-cost health insurance through Child Health Plan Plus (CHP+). You may obtain additional information regarding the federal EITC online at [IRS.gov](http://IRS.gov) or by calling Colorado United Way at 211. Additional information regarding CHP+ can be found online at [CCHP.org](http://CCHP.org) or by calling 1-800-359-1991.
Please read all instructions before completing the forms.

Do not mail application until after January 1.

Evidence of Lawful Presence

The Colorado Property Tax/Rent/Heat (PTC) Rebate is a public benefit. Beginning July 1, 2022, under Colorado law, individuals who are 18 years old or older and are applying for a public benefit are no longer required to establish lawful presence in the United States. PTC applicants who have a social security number (SSN) or individual taxpayer identification number (ITIN) must use these ID numbers to apply. Applicants who do not have an SSN or ITIN, but who otherwise qualify for the benefit, should pre-register by completing DR 0019 Application for PTC Alternate Identification and sending the form and required documentation to Colorado Department of Revenue, Service Center Section, PO Box 17087, Denver CO 80217-0087. Applicants must include on the form DR 0104PTC a valid Colorado driver license number or Colorado identification number, if available. On the form DR 0104PTC application, the following may be written in the boxes for driver license/ID number if the applicant does not have those forms of ID:

- “Military”—U.S. military card or military dependent’s ID card
- “Coast”—U.S. Coast Guard Merchant Mariner Card
- “Tribal”—Native American Tribal Document
- “Other”—Other forms of ID are accepted. See the information below.
- “Waiver”—In some circumstances an identification waiver may be obtained.

Applicants may obtain additional information regarding Accepted Forms of Identification and the Waiver Process either online at Tax.Colorado.gov or by phone by calling 303-238-7378. PTC applicants who do not have a Colorado driver license or ID card number must include with their form DR 0104PTC a photo-quality color copy of any one of the other accepted forms of identification. Documents that are business card size must be enlarged to 200% or twice their original size. Valid driver licenses from other states will not be accepted because PTC applicants must be full-year Colorado residents. Note: If you have already obtained a waiver from the identification requirements, you do not need to obtain another waiver. The waiver is already on file with the Colorado Department of Revenue.

PTC applications will be denied until the required identification information is submitted.
