# Instructions for Coal Severance Tax Return DR 0020C

# Definitions

Coal—coal which has been processed into the form in which it is sold or otherwise used. Such processing includes, but is not limited to, cleaning and washing.

Taxpayer—any person engaged in the severance of coal.

# **Filing Requirements**

Every individual, corporation, business trust, partner in a partnership, association, estate, trust or any other legal entity liable for the payment of Colorado severance tax must file a severance tax return. This return must be made for the same tax year used for federal income tax purposes and is due on or before the 15th day of the fourth month following the end of the taxable year.

# **Controlled Group**

In case of a controlled group of corporations as defined in section 613A of the Internal Revenue Code or of a family (an individual, the individual's spouse, and their minor children) where more than one member of the group or family are subject to the severance tax, the tax must be jointly computed and the severance tax return must be jointly filed under the name of the principal taxpaying corporation, the married couple or the single adult. The DR 0021AS, available upon request from the Department, must be included in the case of a controlled group of corporations.

## **Taxable Quarters**

The coal severance tax liability for the year is the sum of the tax computed for each of four quarters. Divide your tax year into four quarters.

## Production

Report on lines 2 through 5, your total tonnage of coal production per quarter in accordance with the classifications given. Report your total quarterly coal production on line 6.

# **Computation of Tax**

Severance coal tax rate charts are available in the Tax Index under Severance Tax, Coal Tax Rates at *Tax.Colorado.gov* 

# Impact Assistance Credit

A credit against the severance tax is allowed with respect to contributions of property or money to units of local government. The amount of the credit must be certified by the executive director of the Department of Local Affairs.

## **Estimated Tax**

Every corporation subject to Colorado severance tax must file a declaration of estimated tax (DR 0021PC) if its severance tax liability for the current tax year can reasonably be expected to exceed its Colorado severance tax credits by \$5,000 or more.

## Interest and penalty

If the return is filed after the due date, interest at the current statutory rate is due on any balance of tax due until paid. A penalty of the larger of \$30 or 30% of the balance of tax due is due on any delinquently filed return. A corporation that underpays its estimated tax may owe an estimated tax penalty.

## **Extension of Time for Filing**

An automatic six-month extension of time for filing the severance tax return is allowed. This is an extension of time for filing your severance tax return, not an extension of time for paying your tax. If you owe additional tax, use the DR 0021SC to submit an extension payment.

## **Amended Return**

If you find it necessary to amend your Colorado severance tax return, you are required to file the DR 0020CX.

## Information

Forms and additional information can be accessed online at <u>Tax.Colorado.gov</u> or by telephone at 303-238-SERV (7378).
