

# 2025 Amended C Corporation Income Tax Return Instructions You MUST use the amended return form that corresponds to the tax year you are amending or your amended return cannot be processed.

The 2025 DR 0112X, Amended Colorado C Corporation Income Tax Return, is used to correct your 2025 C Corporation income tax return. File the return for free using Revenue Online. You can file on paper if you cannot file electronically, but please note that filing on paper may result in processing delays. For more information or any questions pertaining to income, deductions, modifications, credits, etc., refer to the instructions for form DR 0112 and its associated schedules. Visit *Tax.Colorado.gov* for additional information and guidance publications.

#### **Supporting Documents**

You must submit all required schedules and supporting certifications to this amended return even if there is no change from the original return. (For example: Schedule RF, DR 0112CR, etc.)

Failure to include this documentation will result in the disallowance of credits, subtractions or reduced apportioned income and will result in processing delays.

#### Lines 52 through 58

Compute the amount you owe to the state on the amended return. Any decrease in the amount of the overpayment (line 52) or increase in the amount owed (line 53) will indicate that an amount is owed with the amended return. See <u>Tax Topics: Penalties and Interest</u> for assistance in computing the amount of interest to enter on line 55. If you have previously been assessed a delinquency penalty or estimated tax penalty and this amended return causes the amount of penalty to change, enter the increased penalties on lines 56 and/or 57.

#### Lines 59 through 63

Compute your refund of credit available on the amended return. Any increase in the amount of the overpayment (line 59) or decrease in the amount owed (line 60) will indicate that an overpayment is available with the amended return. The overpayment can be credited to estimated tax (line 62) for the tax year following the period on the amended return, or can be requested as a refund (line 63).

#### Statute of Limitations

The statute of limitations for filing a Colorado claim for refund is generally four years from the original due date of the return or three years from the date of the last payment of tax or the year involved, whichever is later. In the case of a capital loss carryback, the claim must be filed within four years of the due date of the return for the year during which the credit or loss arose. See the Corporate Income Tax Guide for more information.

**Colorado net operating losses** may not be carried back to an earlier year. See Part 8 of the Colorado Corporate Income Tax Guide for information about Colorado net operating loss carryforwards.

**Protective Claims:** If this amended return is being filed as a protective claim that is contingent on future events and may not be determinable until after the time period for filing a claim for refund expires, check the protective claim box under reason for filing corrected return. Include with you return a statement identifying and describing the contingencies upon which your protective claim depends.
