GENERAL INFORMATION:

A purchaser's/buyer's claim for refund is submitted by a buyer when sales or use tax was collected in error by the vendor and remitted to the Colorado Department of Revenue. Before submitting a claim for refund to the department, first request a refund from the store or vendor from which you purchased the product or service.

If you are unable to obtain the refund from the store or vendor, submit this form along with the required documentation. In addition, include the explanation from the vendor indicating the reason the refund was not granted.

INSTRUCTIONS FOR FORM:

Do not combine sales and use tax refunds on the same claim; file a separate claim for each tax account type.

Type of Exemption

Claims should be submitted by exemption type, if there are multiple purchases that are being submitted for different exemptions. For example, Taxpayer ABC has paid tax in error to vendor 1 for non-taxable services and tax in error to vendor 2 for exempt machinery. Two claims should be submitted. One claim for non-taxable services and one for exempt machinery.

Total Sales or Use Tax Paid During The Period Covered

Enter the TOTAL amount of sales or use tax paid to ALL vendors during the period covered.

The period covered includes the calendar month(s) of when the purchases were made.

For example, if you are requesting a refund for purchases made on July 1, July 21, August 9, and September 1, the period covered is the calendar months of July, August and September. You would add the total sales or use tax paid on ALL purchases between July 1 and September 30.

Reason

A brief description of why you are requesting the refund in the reason box on the form is required even if you are attaching a letter explaining the refund request in detail. An explanation with documentation from the vendor showing why a refund was not granted from them.
