

## Certification for Sales Tax Exemption on Pine or Spruce Beetle Wood

### Instructions

Wholesalers should complete and sign this form for all products that will be sold in Colorado made from mountain pine or spruce beetle-infested wood harvested in Colorado.

A copy of the signed certification form should be sent to the Colorado Department of Revenue Field Audit section at the following address:

A copy of the signed certification form should be provided to each retailer that buys the product for resale in Colorado. The retailer should retain this copy along with invoices showing purchases of the product for resale.

Colorado Department of Revenue  
 Field Audit Section  
 PO Box 17087  
 Denver, CO 80217-0087

I(we) affirm that the product(s) listed in this document qualify for the Colorado sales tax exemption for wood salvaged from trees infested in Colorado by mountain pine or spruce beetles.

I(we) affirm that the supplier/manufacturer of product(s) listed in this document has made the product(s) using wood salvaged from trees infested in Colorado by mountain pine or spruce beetles.

I(we) understand the instructions for use of this form.
